National Sales and Service

Do you feel as though every time you're promised that the latest technology is going to make things easier... the opposite turns out to be true?

Then it's time to get back to basics

Imagistics makes your life easier – with world-class, network friendly products backed by direct nationwide sales and service. The ix2701 MFP lets you streamline your office document workflow effortlessly. Print, copy and scan with one powerful multifunctional device that's not only easy to use – but easy on your bottom line.

Versatility of a flatbed scanner for copying and scanning.

Easy to Print

Retire that old standalone printer and welcome the multifunctional ix2701 MFP into your work area. Its 17 ppm print speed and crystal-clear 600 dpi resolution may help you increase your print production by as much as 20%... standard PCL6® and PostScript® 3 print emulation and automatic duplexing give you even greater print capabilities.

Easy to Copy

With its 8.5" x 14" platen, your office area can have all the benefits of convenience digital copying. And with a 17 cpm copy speed and a 50-page automatic document feeder, it's never been simpler to save time and money while increasing performance and productivity.

Easy to Scan

Scanning has never been such a snap. With the color and monochrome scanning capabilities of the ix2701 MFP, you can attach documents to your e-mail, create electronic files, or scan documents to your desktop for editing, all with fingertip ease. And with an array of scanning options, you'll wonder how you ever got by without it!

ix2701 MFP shown with optional 250-sheet cassette

PRINTER

- ▶ 17 ppm Print Speed
