# dubilier

### **FEMALE HEADER**

**FEMALE HEADER SMT - 7.0MM** 

# **SPECIFICATION**

#### **Material & Finish**

Insulator:

Contact:

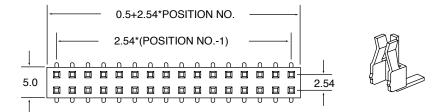

Nylon 6T, glass reinforced, rated UL 94V-0 Phosphor Bronze

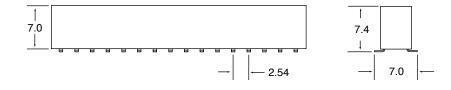

#### **Electrical Characteristics**

Contact Resistance:30 mΩInsulation Resistance:3000 MΩ min.Dielectric Voltage:500v AC for 1 minuteOperating Temperature:-40°C to +105°C	Rating Current:	1 Amp DC
Dielectric Voltage: 500v AC for 1 minute	Contact Resistance:	30 mΩ
	Insulation Resistance:	3000 M $\Omega$ min.
<b>Operating Temperature:</b> -40°C to +105°C	Dielectric Voltage:	500v AC for 1 minute
	Operating Temperature:	-40°C to +105°C

\* Mating suggestion: C17, C18 series.
