

6390

- Vertical mount, extruded heat sink for TO-218 and TO-220.
- Solderable pins allow vertical board mounting without stress on device leads.

Model	Dim. A	Weight (lbs./grams)
6390B	1.00	.016 (7.26)
6391B	1.50	.024 (10.88)
6392B	2.00	.032 (14.51)

Note: To order optional solderable roll pin with shoulder, add suffix "P2" after model number, e.g., 6390-P2. Shoulder is .045/.050 (1.14/1.27) thick.
