Data Sheet

BOXER.PEL - TOOLCASE from GT Line s.r.l., Italy

Internal Dimensions:-
430mm x 340mm x 160mm

Weight:-
3.0 kg

An exceptional product from GT's wide product range with an exceptional price/quality ratio. The Boxer.PEL has been designed specifically for the transportation of tools and is manufactured by an injection moulding technique granting compact dimensions, high internal capacity and a light weight modern design. The aluminium profile increases the strength of this product along with uniformity of the injection moulding technique.
