MANGERS

Liquid Nails

VALLANCE

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Engineering measures:

Exposure Limits:

Substance	Occupational Exposure Limits				Notations
	8hr LTEL (1)		15 min STEL (2)		
	ppm	mgm ³	ppm	mgm ³	
-	-	-	-	-	-

- (1) Long-term exposure limit - 8 hour time weighted average
- (2) Short-term exposure limit - 15 mins time weighted average
- (S) Occupational Exposure Standard (OES)

OEL's are taken from the current version of EH40, except those marked (R) or (A) which are assigned by the supplier of the substance.

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state: Viscose paste
Colour: Natural
Odour : N/A
Viscosity: N/A
Specific Gravity: 1.65 - 1.85
Flash point : N/A
Solubility in water; Miscible

10. STABILITY AND REACTIVITY

Stability : Stable under recommended storage conditions.

Conditions to avoid: No special requirements.

Hazardous decomposition products : Carbon oxides are produced through combustion. See sections 4 & 5.

11. TOXICOLOGICAL INFORMATION

No data available on preparation. No known irreversible toxic effects.

12. ECOLOGICAL INFORMATION

No data available on preparation. Do not allow to enter water courses or drains or be deposited where it can effect ground or surface water.

13. DISPOSAL CONSIDERATIONS

Product should be disposed of in accordance with current local and national legislation.

14. TRANSPORT INFORMATION

Transport Mode	Details
Domestic Road/Rail:	Non Hazardous
Sea:	Non Hazardous
Air:	Non Hazardous
International Road Rail:	Non Hazardous

The information contained in the Health and Safety Data Sheet is provided in accordance with the Chemicals (Hazard Information and Packaging for Supply) (Amendment) Regulations 1996. The product should not be used for purposes other than those identified without first referring to the supplier and obtaining written handling instructions. As the specific conditions of the use of the product are outside the suppliers control, the user is responsible for ensuring that the requirements of the relevant legislation are complied with. This information contained in the safety data sheet is based upon present knowledge and current legislation. It provides guidance on health, safety and environmental aspects of the product and should not be construed as any guarantee of any technical performance or suitability for particular application.
