# Antistatic Ring Binder

IEC

- Calendered antistatic blue PVC covering

- Rs: $<10^{11}$ Ω,T $_{1000}$:<4 sec
- Colour: light blue
- ESD caution symbol in black on spine and front
- Clear pocket 65mm high at base of spine
- A5, A4 portrait formats, 2 or 4 ring, A3 only landscape format
- D-shaped ring mechanism mounted on back cover

N.B: Items in **bold** are stock items!

FORMAT	CODE	UNIT
A5 2 ring 50mm	K5150	each
A4 4 ring 15mm	K5110	each
A4 2 ring 25mm	**K5101**	**each**
A4 4 ring 25mm	**K5102**	**each**
A4 4 ring 38mm	**K5107**	**each**
A4 2 ring 50mm	K5105	each
A4 4 ring 50mm	**K5104**	**each**
A4 4 ring 65mm	K5106	each
A3 4 ring 25mm landscape	K5132	each
A3 4 ring 50mm landscape	K5134	each

Antistatic Document Wallets

Antistatic document wallets are designed for use where documents are required within ESD Protected Areas. The documents are inserted into the A4 size wallets which are then clipped into a 2- or 4-ring binder. The wallets protect their contents whilst not presenting a hazard to electrostatic sensitive devices.

- Made of LDPE using durAstatic^{TM} ^{TM} technology
- Permanantly static dissipative yet dry to the touch
- Open at top
- Non-stick, suitable for photocopies and facsimilies
- A3 and A4 sizes have 11 hole spine
- Rs: $<10^{10}$ Ω,T $_{1000}$:<2 sec
- A4 and A5 portrait formats, A3 landscape format

FORMAT	CODE	UNIT
A5 portrait	K5200	100
A4 portrait	**K5202**	**100**
A3 landscape	K5213	100

Antistatic Document Holder

- Open two sides, top and right
- ESD protection logo printed in yellow
- Made of permanently antistatic LDPE 130 micron

FORMAT	CODE	UNIT
A4	K5221	100

Rigid Antistatic Document Wallet

- Made of rigid PVC, sized to fit A4 and A3 documents
- Rs: $<10^{10}$ Ω,T $_{1000}$:<4 sec
- 4 hole spine

FORMAT	CODE	UNIT
A4 portrait	K5232	10
A3 landscape	K5234	10

Antistatic Clipboards

- Calendered antistatic blue PVC covering, 0.35mm thick
- Rs: $<10^{11}\ \Omega$, T $_{1000}$:<2 sec
- ESD caution text in black
- Sprung metal clip holds A4 paper
- With or without cover

	CODE	UNIT
Clipboard A4 portrait	K5301	each
Clipboard A4 with cover	K5302	each

Letter Tray

- Stackable
- Size: 340 x 235 x 50mm internal
- Holds A4 paper
- ESD symbol printed on one side of tray only
- Black is made of conductive polypropylene Rv: 10^3 to 10^5 Ω
- Yellow and blue trays are made using durAstatic technology; Rv: 10^9 to 10^{10}W: T_{1000}: < 2 sec
