## Customer Notification

### 14 X 20 MQFP Package Assembly Site Change

Dear Valued Customer:

This notification is for the purpose of informing you of a change by Mindspeed Technologies in the assembly site location for the products identified below.

#### Purpose

The subcontractor for these products has informed Mindspeed that it will be consolidating the assembly locations for the 14 X 20 MQFP packages. Currently, both the Korea and Philippines assembly locations are utilized by Amkor; however, only the Philippine site will be utilized after February, 2004. Mindspeed currently utilizes both sites for the 14 X 20 MQFP package and has qualified the Philippine site for manufacturing this package. Package qualification reports are available upon request.

#### Products Affected

CX28380-16  
CX28953-19  
CX28953-20  
CX28960-11  
CX28970-13  
CX28970-14  
CX28970-15

#### Change Schedule

Customers should expect to receive products assembled at the Amkor Philippines site beginning March 3, 2004.

#### Method to identify parts

The product marking and labels will identify Philippines as the country of origin.

#### Customer Impact

There are no changes to the form, fit, function, or performance of the device.

We are confident this change will allow Mindspeed Technologies to maintain its high standards for quality and reliability. We will be managing this change very closely to ensure minimum disruption to our customers. If, at any time, you have a need for further information, please contact your local Sales Representative.
